

FEBRUARY 17 MEDIA RELEASE

It was announced today that **John Stuart**, Creator and Producer of ***Legend's In Concert***,

will be honored with a ***Lifetime Achievement Award*** by the Board of Directors of Las Vegas Walk of Stars. John Stuart's contributions have not only warranted the Award for his lifetime of Achievements, the Board of Directors of the Las Vegas Walk Of Stars has bestowed him with his Star to be presented during **The Reel Awards**.

Stuart and his family will be on hand to accept this *award* on **Thursday, March 2, 2006** at The Annenberg Theater in Palm Springs beginning at **6:30pm.** at the upcoming **The Reel Awards** in Palm Springs.

The ***Lifetime Achievement Award*** honors and acknowledges the contributions made to our Industry by individuals that have made a difference, made a better place for us to work, gave us a higher level to achieve to and lastly....someone who has given 110% back to our Industry. Representatives of our Industry are proud to announce this year's recipient as **John Stuart**.

John Stuart created the ***Legends In Concert Show*** at The Imperial Palace Hotel & Casino on May 5, 1983. Stuart's vision and support of the original cast members, Sherie Rae Parker (Janice Joplin), Phil Sadalla, (Bobby Darin) George Trullinger (Buddy Holly), Susan Griffiths (Marilyn Monroe) and Dana McKay (Elvis) set the ground work for many who have followed...Many of the talented entertainers have had the opportunity to travel around the world performing their characters and many are still performing after some 23 years...We owe many thanks to John Stuart for his vision, determination, commitment and generosity...

The STAR itself will be on hand for the dedication by the Directors of The Las Vegas Walk of Stars ...It will then be transported back to Las Vegas for the ceremony on the sidewalk at the MGM on **Tuesday, May 30, 2006.** **Congratulations, John...and a special thanks from all of those who performed and worked for you during the first 20 years of "*Legends in Concert.*"**
